

INFORMATION FOR POSTER PRESENTERS

Displaying Your Poster

Poster boards will be available for setup from **09:30 on Wednesday 8 July**.

Please ensure your poster is displayed by **13:15 on Wednesday 8 July**, and keep it in place until **11:30 on Friday 10 July** so all delegates have time to view it.

After the meeting closes at **13:30 on Friday 10 July**, any remaining posters will be **disposed of**, as we are unable to return posters to authors.

Poster manning times

All posters will remain on display for the full duration of the meeting. Delegates can view them at any time throughout the event.

Poster preparation

Each presenter will be allocated **one numbered board**.

Maximum poster size: A0 portrait (841 mm wide × 1189 mm high)

Posters larger than this cannot be displayed.

Additional notes:

- Fixing materials will be provided at the venue.
- Posters are most effective when prepared as a single sheet, rather than multiple smaller sheets.
- Poster board numbers will be supplied by the organisers.
- You are welcome to bring A4 handouts of your poster, or add a QR code linking to your website, a downloadable version of your poster, your contact details, or even a short video overview of your study.

Organising your poster

- **Title** - The title of your submitted abstract
- **Authors** - Who was involved, and their affiliations
- **Introduction** - A statement about the aims and objectives of the study
- **Methods** - A description of the methodology that you have adopted, including any assumptions

9. Avoid overcrowded tables or figures.
10. Be selective with the results you choose to display.
11. Check spelling carefully.
12. Above all: **keep it simple**.

Poster pitching

If you have been offered a poster pitching opportunity on Wednesday 8 July, please read the following:

- You will have **60 seconds** to tell the audience why they should visit your poster.
- There will be no time for questions.
- Please prepare two slides (both slides should have your poster number in the top left hand corner at a size equivalent to 60 in Arial Font):
 - **Slide 1** – Poster title, presenting author name and designation
 - **Slide 2** – The key message of your poster – may include an image and/or a graph.
- Do not use animations or overcrowd your slides
- Use the standard **16:9 slide ratio**.

Presentations will be in **numerical order of poster number** so you must be ready to present on time.

Poster pitching authors will be contacted in advance of the meeting regarding sending their slides to the BRS event team prior to the meeting.

All poster pitches will take place during a dedicated Poster Pitching Session (**13:45 – 14:15**) on **Wednesday 8 July**. The online interactive programme will display your presentation order nearer the time.

All pitches are scheduled in a single session to ensure delegates can hear from every pitching author before the networking and poster-viewing sessions on Wednesday and Thursday.

Disclosure

All presenters must include a disclosure of **any potential conflicts of interest** on their posters or slides. This includes any company involvement in:

- conducting the research
- analysing data
- supporting the preparation of the presentation
