

Bone Research Society

ANNUAL MEETING 2022

6-8 JULY 2022 • MANCHESTER, UK

Bone Research Society Annual Meeting Manchester, UK 6-8 July 2022

We have great pleasure in inviting you to support the next Annual Meeting of the Bone Research Society which takes place in Manchester, UK from 6 – 8 July 2022. This is being planned as an in-person meeting and we're so excited to be seeing everyone again! An exciting programme is planned of which we hope you will be a key component. The presentations are traditionally balanced between clinical and laboratory studies and the participation of young scientists and clinicians is actively encouraged. We expect around 200 delegates to attend.
